

# **“A Mile in Our Boots” Clinician Academy**

## **Invitation to Sponsor Our Academy**

“A Mile in Our Boots” clinicians academy is offering a unique opportunity for our clinicians. They will be able to experience through a sensory buffet (sights, sounds, smells, and feels) what the first responders do daily. We would like to partner with you to make this experiential weekend one that they will remember, while building a network of possibilities for the attendees.

Attendee profile: “A Mile In Our Boots” weekend will be attended by licensed counselors that currently assist with First Responders during mental crises. They come from backgrounds in substance abuse and mental health counseling, inpatient, private, and EAP’s.
